

## **Animal Sponsorship**

**If you've visited Pets Corner and enjoyed meeting the animals why not sponsor your favourite one and make a new friend today?**

Pets' Corner is a popular attraction with local people. Now it's your chance to become part of it. The animals are very friendly and offer an opportunity for visitors to meet them and enjoy their company. Why not make Pets' Corner the place where you can visit your own special animal friend, by sponsoring your favourite today.

Sponsorship is available to anyone who loves animals, from a company to an individual, families, schools and community organisations.

### **Eight good reasons to sponsor an animal:**

- By sponsoring an animal your money will go towards the cost of your chosen animal's care and upkeep.
- You will be helping to bring new animals in by supporting the Pets' Corner Rare Breeds Programme (see enclosed information).
- You'll be a part of one of Harlow's favourite attractions.
- You'll become an instant pet owner (conditions apply).
- You could become a shared owner of an unusual pet. Not everyone can say they have a Llama!
- You'll have the advantages of having a pet, but no cleaning up, no long walks!
- It's an ideal gift for a loved one.
- For local businesses, sponsoring an animal at Pets' Corner can raise your company's profile within Harlow and give your staff something that is unique to them.
